

You've seen the devastation of the recent earthquakes in Haiti
-- now, more than ever, the people of Haiti need our help.

Houses for Haiti

The students of Lincoln-Eliot Elementary have created tiny house pins as part of an art/fundraising project.

The colorful, jewel-like pins are available for \$5.00 each.

All proceeds will be donated to AmeriCares, an organization providing emergency relief to the people of Haiti.

To purchase a tiny house pin, or if you are interested in helping sell the pins, contact:
